To register for a class, please see details below:

ADHD Workshop

Learn all about ADHD and how to best manage ADHD at home and school through 4 dynamic virtual sessions. Participants will meet with medical and mental health professionals, and receive access to local resources. To register, please call Natalia Williams at 713-486-8574.

Breathing Exercise

Breathing exercises can help you reduce anxiety and stress. Join us for a 15 minute virtual session to learn different breathing techniques. To register, please call Ivy Weng at 713-486-5902.

Chair Yoga

Practicing yoga can lead to a sense of peace and well-being. You can improve body strength and flexibility, as well as improve your mood and clear your mind. A chair will be used for this class. To register, please call Amy Gómez at 713-486-1981.

Cooking Well with Diabetes

This is a cooking class designed to help people with diabetes and anyone that prepares food for them. This four-lesson course includes basic nutrition education to help plan meals and prepare food for people living with diabetes. To register, please call Amy Gómez at 713-486-1981.

Core Connections—Chronic Disease Self-Management Program

This 8-week program will empower you with knowledge and skills to actively embrace healthy choices. Each participant will receive nutritious foods throughout the program to support healthful eating habits. To register, please call Amy Gómez at 713-486-1981.

Diabetes Support Group

Have you been diagnosed with diabetes and have unanswered questions, challenges, or feel like no one understands? You are not alone! The Diabetes Support Group, led by a Certified Diabetes Educator and Certified Health Education Specialist, is a table-talk guided support group where participants pick the discussion topics. The support group provides participants with the opportunity to get accurate information about diabetes, feedback on current attitudes toward diabetes, and learn from other participants' experience with diabetes. To register, please call Lamarr Key at 713-486-7336.

Growing and Nourishing Healthy Communities

This program is a six-session series to learn basic garden techniques such as how to select a garden location, how to compost, plant and water, and control insects. To register, please call Lamarr Key at 713-486-7336.

HEAL (Healthy Eating Active Living)

HEAL is for women who are pregnant or who have an infant and who would like to embrace a healthier lifestyle for themselves and their baby. It is a five week program that includes hands-on education, demonstrations, resources and fresh fruits and vegetables to take home after each class. To register, please call Monique Dorsey at 832-325-7314.

MyPlate for My Family

This series is for those cooking for kids, and will discuss the importance of eating healthfully, preparing nutritious recipes, and staying active. Each lesson is one hour and includes a lesson as well as a cooking demonstration. To register, please call Natalia Williams at 713-486-8574.

Walking at Home

Walking at home is offered several times a month, and is an exercise program that provides a safe solution for increasing physical activity at home. Each session is 30 minutes. To register, please call Ivy Weng at 713-486-5902.

Zumba

Zumba is a fitness program inspired by various rhythms and dancing styles. It's a whole-body aerobic exercise that uses up a lot of energy and burns calories through dancing. Zumba helps to improve your flexibility, and strengthen your core. To register, please call Lamarr Key at 713-486-7336.
