ADHD Workshop for Families (Spanish and English offered)

Learn all about ADHD and how to best manage ADHD at home and school through 4 dynamic virtual sessions. Participants will meet with medical and mental health professionals and receive access to local resources. [To register, please call Natalia Williams at 713-486-3873.](#)

Basics of Debt & Credit: Build & Improve Your Credit

In this two-part session facilitated by Memorial Assistance Ministries, participants will review the concepts and types of credit and debt, how to access and read a Credit Report, what impacts a Credit Score, and steps to improve your credit. [To register, please call Lamarr Key at 713-486-7336 or Amy Gómez at 713-486-1981.](#)

Breathing Exercise

Breathing exercises can help you reduce anxiety and stress. Join us for a 30 minute virtual session to learn different breathing techniques. [To register, please call Lamarr Key at 713-486-7336.](#)

Chair Yoga

Practicing yoga can lead to a sense of peace and well-being. You can improve body strength and flexibility, as well as improve your mood and clear your mind. A chair will be used for this class. [To register, please call Amy Gómez at 713-486-1981.](#)

Cholesterol Matters: Be Heart Healthy

This class is a one session course implemented by the Texas A&M Agrilife Extension where participants will gain a better understanding of their heart health, what their cholesterol numbers mean, and which lifestyle changes they can make to decrease their levels. [To register, please call Amy Gómez at 713-486-1981.](#)

Cooking Demonstration Livestream

Join our registered dietitian as she shares an affordable and easy recipe you can try at home! The demonstration will be virtual, and the recipe will be shared with all participants. [To register, please call Monique Dorsey at 713-486-0027 or Lamarr Key at 713-486-7336.](#)

Core Connections- Chronic Disease Self- Management Program (English and Spanish)

This 8-week program will empower you with knowledge and skills to actively embrace healthy choices. Each participant will receive nutritious foods throughout the program to support healthful eating habits. [To register, please call Amy Gómez at 713-486-1981 or Alison at 713-486-8574.](#)

Diabetes Support Group

Led by a Certified Diabetes Educator and Certified Health Education Specialist, this is a table-talk guided support group where participants pick the discussion topics. It provides participants with the opportunity to get accurate information about diabetes, feedback on current attitudes toward diabetes, and learn from other participants' experience with diabetes. [To register, please call Lamarr Key at 713-486-7336.](#)

HEAL (Healthy Eating Active Living)

HEAL is for women who are pregnant or who have an infant and who would like to embrace a healthier lifestyle for themselves and their baby. It is a five week program that includes hands-on education, demonstrations, resources, and fresh fruits and vegetables to take home after each class. [To register, please call Monique Dorsey at 832-325-7314.](#)

Healthy Carbohydrates

This 4-week series teaches participants to choose healthy types and portions of carbohydrates to help decrease chronic disease risk. [To register, please call Alison Culp at 713-486-8574.](#)

Meditation

Participants will go through a guided meditation, to help maintain focus and let go of distractions. The sensations of breathing will also be incorporated throughout the meditation process to help promote focus of attention and body awareness. [To register, please call Amy Gómez at 713-486-1981.](#)

Picky Eating Workshop

The primary goal of this class is to teach parents & guardians of small children different methods to encourage a healthy relationship with food. It will cover age appropriate nutrient requirements in children, mindful phrasing practices, and the do's and don'ts when expanding a child's food preferences. [To register, please call Monique Dorsey at 713-486-0027.](#)

Powerful Tools For Caregivers

Powerful Tools for Caregivers gives participants the skills they need to take care of themselves while caring for someone else. By taking care of their own health and well-being, participants become better caregivers. Class participants are given The Caregiver Helpbook to accompany the class and provide additional caregiver resources. [To register, please call Alison Culp at 713-486-8574.](#)

Walking at Home

Walking at home is offered several times a month, and is an exercise program that provides a safe solution for increasing physical activity at home. Each session is 30 minutes. [To register, please call Alison Culp at 713-486-8574.](#)

Zumba

Zumba is a fitness program inspired by various rhythms and dancing styles. It's a whole-body aerobic exercise that uses up a lot of energy and burns calories through dancing. Zumba helps to improve your flexibility, and strengthen your core. [To register, please call Lamarr Key at 713-486-7336.](#)
